

Solutions

In North America, we don't really have an animal problem; we've got a people problem. I think that's the first realization you've got to come to – it's not about the animal, it's about the people."

– Bill Bruce, Director, Calgary Animal and Bylaw Services

- Spay/Neuter
- Licensing
- Training
- Socialization
- Diet, exercise, medical care
- Steep fines for irresponsible owners, and restrictions on future ownership
- Leash laws, anti-chaining
- Enforcement of dog fighting & anti-cruelty laws
- Community set standards for responsible ownership
- Supervision of children around animals
